# VAN MAHOTSAV 2024

Forests are precious lifelines, the foundation of natural wellness of the earth. If we are to repair and restore our planet, it is imperative that we protect and preserve forests. The present climate crisis indicates the damage caused by the loss of forest cover, one of the key factors in the unfolding climate emergency.

Van Mahotsav week is an essential reminder that we must stop deforestation, encourage large scale tree planting, and practice the 3R rule - Reduce, Reuse and Recycle.

Let us all act upon our commitment to re-greening mother earth.

# RATH YATRA 2024

Our children learn about Odisha's biggest festival of faith and culture - Rath Yatra.

At The DN Wisdom Tree Global School, a school as unique as your child, we endeavour to ensure that our young people get to know the essence of our cultural legacy and inimitable heritage. Rath Yatra is one of the most important events on the Wisdom calendar, and we have our very own little festival happening in the classrooms, across grades as well as the key outdoor event itself, on campus.

Our day begins with prayer and positivity. We learn new facts, and acknowledge achievers, both students and mentors. We receive guidance on the path to righteousness and success. Here's a glimpse of the School Assembly, at The DN Wisdom Tree Global School, a school as unique as your child.

# School Assembly

# BAHUDA YATRA 2024

We marked Bahuda Yatra on campus with our own little celebration, complete with the Siblings' favourite poda pitha and rasagolla, and a proper prasad repast for lunch.

Thus we concluded our 6th edition of Rath Yatra, Odisha's biggest festival of culture and faith, with joy and pride. Time flies. How quickly these six seasons have passed and how our children have grown. It also makes us happy that many other educational institutions have started observing Rath Yatra as part of their annual calendar. This will go a long way in facilitating the next generation's connection with key cultural practices and heritage.

# National Mango Day 2024

Mango is rightly known as the king of fruits. We find mango lovers across all age groups. Mango is being cultivated in India since time immemorial. Along with its flavourful taste, it has many health benefits. And, as an extremely popular fruit, it is fitting that there is a special day dedicated to it.

Here are glimpses of our adorable Wisdomites celebrating “National Mango Day” through many fun-filled activities like drawing and painting, learning about mangoes by region, counting the mango trees on campus, participating in a quiz based on the story Three Mango Trees and a Mistletoe ( Click here and read <https://bit.ly/4fax82X> ) written by our Vice Chairperson, Panchami Manoo Ukil.

We hope you all had a happy mango day too!
