Inter-House Athletic Meet 2024

“There's no better feeling than stepping out on the field and stunning them all by doing what none of them thought you could do.”

And that is exactly what our little Wisdomites did on the opening day of PANCHHI, Inter-House Athletic Meet 2024 - they had us all in awe, as they participated in the different track and field events. Here are some glimpses for you to browse.

Building character, developing sportsmanship, a joyous, fun-filled, energetic time outdoors - PANCHHI epitomises each of these aspects so crucial to a growing child's body and mind. At The DN Wisdom Tree Global School, we are committed to ensuring that our little people grow well, in a balanced atmosphere, with all the right inputs at the right time. Any wonder then that we say we are a school as unique as your child!

DENTAL & EYE CHECK UP CAMP

The well-being of our children is of primary importance and we continue to focus on this aspect in a holistic way, through every school day. As part of this endeavour, a Dental and Eye Check Up for all children was organized over two days, 5th & 6th Dec 2024. Our objective is to help improve children's health and prevent future problems from developing into major issues. Such check-ups also teach children good dental habits.

Congratulations to Gukesh Dommaraju on making history as the youngest World Chess Champion!

He triumphed over Ding Liren at the 2024 World Chess Championship, securing his place as a legend in the chess world.
