# KARTIK PURNIMA 2024

The richness of Odia culture is highlighted beautifully by our traditions and festivals. One of these festivals is Kartika Purnima which commemorates the ancient maritime rituals of "Boita Bandana" and "Bali Jatra" and pays tribute to the legendary adventurous spirit of seafaring Odia traders.

Anchoring and honouring our legacies and timeless traditions are integral to the experiential knowledge sharing at The DN Wisdom Tree Global School. Unless we are aware of where we come from, we wouldn't know where to go.

## CHILDREN'S DAY SPECIAL

Sharing is caring, yes! Spreading joy and bringing happiness - our mentors marked this special day with a uniquely beautiful gift for our Wisdomites. Snippets of the joyous performances our mentors created for Children's Day. For seeing is believing!

"Kindness in words creates confidence. Kindness in thinking creates profoundness. Kindness in giving creates love."

Little acts of kindness create big impact in the long run - for givers and for recipients, making the world a more compassionate and kinder place. At The DN Wisdom Tree Global School, a school as unique as your child, we encourage children to perform intentional acts of kindness and foster a culture of well-being, from a place of compassion and generosity.

## ACT AND SING

Our little people had a great time enacting and singing songs, rhymes and poems of their choice during the "Act and Sing" activity sessions this week. Singing, acting, and dancing are fun activities that children enjoy, while also deriving beneficial inputs for their cognitive development. They learn new words and expand their vocabulary. They begin to understand sound. Their communication skills develop and they learn to express themselves. Such activities foster physical skills too. When children perform, it engages their brain, improves and expands their creativity and imagination. Acting and singing also helps improve their memory skills. Such is the immense impact of joyful learning!

We share these glimpses, with pride and pleasure, because we firmly believe we are a school as unique as your child.

# Hamara Samvidhan, Hamara Swabhiman

At The DN Wisdom Tree Global School, a school as unique as your child, students marked 75 years of our Constitution with a Special Assembly, as well as reading of the Preamble in all grades. The classroom activities focused on Constitution Day in order to enable children to engage with the legacy of our Constitution, its history and significance, and what it means to us as citizens of India. A living, thriving Constitution - may it always show us the way, the right path!
