LET'S LIGHT A LAMP FOR PLANET EARTH THIS DEEPAWALI 2024

Caring is an emotion and it is always easier to foster emotional bonds through a cultural context. Hence this idea - to connect duty and responsibility for our planet with a festival like Deepawali that is celebrated by everyone. We believe that lighting a lamp for the planet is the first step towards awareness about the crisis. Together, we can raise awareness about climate change and inspire action.

Our Vice Chairperson, Ms. Panchami Manoo Ukil shared her thoughts underlying her concept of the Let's Light A Lamp for Planet Earth This Deepawali campaign, to highlight the need for climate action by each one of us, during the campaign launch at The DN Wisdom Tree Global School, a school as unique as your child.
