The highlight of the fete was a walk through the vibrant stalls set up by children with autism. From hand-painted bags and eco-friendly paper crafts to homemade chocolates and original artwork - each creation was a testimony to the children's skill, spirit, and determination. These stalls, supported by their mothers, represented the vision of the Zain Foundation Trust - enabling independence through skill development and love.

The event concluded with the National Anthem, followed by refreshments, leaving everyone with hearts full and minds inspired.

**Together, Zain Foundation Trust, The DN Wisdom Tree Global School, and FICCI Flo Bhubaneswar are working together to build bridges toward a more inclusive, empowered future.**
