Rath Yatra: A Celebration of Culture, Character & Community

The DN Wisdom Tree Global School, a school as unique as your child, echoed with delight as students celebrated Rath Yatra, a timeless festival that teaches us about faith, equality, and the beauty of shared traditions.

The campus came alive with the rhythms, chants, and cheer of Rath Yatra. From floral and food offerings to the offerings of music and dance, the atmosphere was enchanting. More than just a festival, it became a moving classroom, teaching our students about faith, humility, unity, and the deep-rooted cultural values that define us.

With every turn of the wheel, we were reminded that progress is most meaningful when it carries the wisdom of tradition. As the chariot rolled ahead, it wasn't just a journey of faith, but also one of learning, carrying forward the values of our heritage into young hearts and future lives.

Having pioneered the culture of celebrating Rath Yatra ever since we started the Kindergarten school in 2018, we are blessed and humbled to be able to continue this beloved tradition and make our next generation familiar with the wisdom and richness of their roots.

Jai Jagannath!

Wednesday Assembly Highlights

Theme: Mud Strengthens Children

Our students conducted a thoughtful and engaging Wednesday Assembly, on the theme 'Mud Strengthens Children', reminding us all that real growth often begins with getting our hands dirty, exploring, and learning from the ground up.

With soulful prayers, a powerful school anthem, thought and word of the day, global and school news updates, and meaningful speeches in English and Sanskrit, the Wednesday Assembly was a reflection of confidence, clarity, and purpose.

The guidance shared by our Director, Dr. Rita Chatterjee, added depth to the morning, encouraging young minds to embrace nature, curiosity, and resilience. The Wednesday Assembly culminated with the National Anthem, filling our happy learning space with pride and unity.

From muddy hands rise strong hearts and curious minds, and every child needs a little mud to bloom.

World Music Day 2025

Healing Through Harmony

Music is the heartbeat of the soul, a gentle healer in times of chaos, and a bridge between hearts and cultures.

At The DN Wisdom Tree Global School, a school as unique as your child, we celebrate the incredible power of music to bring hearts together, soothe minds, and strengthen unity. We honour the timeless magic of music that unites, heals, and empowers us to dream of a better world. Music is more than just sound - it's a universal language that heals, uplifts, and inspires.

Let's embrace the rhythm of hope, the melody of peace, and the harmony of togetherness, today and every day. Let every note remind us - harmony begins within. Happy World Music Day!

INTERNATIONAL DAY OF YOGA 2025

Yoga for One Health, One Earth

International Day of Yoga 2025 marks a significant milestone, the 11th anniversary of this global celebration. Over the past decade, it has evolved into a worldwide movement, uniting millions in the practice of yoga to enhance physical, mental, and spiritual health. Under the theme 'Yoga for One Earth, One Health', this year's observance highlights yoga's vital role in promoting holistic well-being and environmental harmony.

At The DN Wisdom Tree Global School, a school as unique as your child, every day is yoga day. Our young people go through a specially designed, age-appropriate yoga routine in school, each day. Our mentors ensure that children enjoy the sessions immensely, while maintaining solemnity and seriousness of the practice. So it's healthy and happy all the way!

WORLD ENVIRONMENT DAY 2025

Restoring the planet we call home is an immediate imperative, not an option. And it is the small, everyday acts that make a big difference. It is everyone's responsibility to care for the environment, and every little step we take creates the possibility of improving the present environmental challenges.

At The DN Wisdom Tree Global school, a school as unique as your child, we believe every small action creates big change. Our students are leading the way to a plastic-free future - saying NO to single-use plastic and YES to sustainability. Restoring the green canopy and bringing back threatened species are at the centre of our green practices. Since inception, not only have we held on to our age-old trees on campus, we have planted nearly 200 trees under our flagship Mission Palash initiative. We continue to engage and encourage our young people to plant and protect trees, because only then can we reduce the impact of soaring temperatures.

On World Environment Day, we reiterate our commitment to restoring and greening our neighbourhood and our city. On this mission, let us encourage our children to take time out for Nature, admire its beauty, and learn from its resilience. Most importantly, let us absorb its wisdom. We must ensure that we are a part of the solution, and not part of the pollution.

Together, let's **BEAT PALSTIC POLLUTION** and protect our planet for generations to come.

INTERNATIONAL MUD DAY 2025

At The DN Wisdom Tree Global School, a school as unique as your child, students got immersed in a very creative and invigorating mud session to mark this day on our calendar. They had fun as they squished mud in their hands, drew and painted with mud, felt the texture of mud, and sculpted it into various shapes.

Playing with mud develops core motor and kinesthetic skills.

Most importantly, children learn that mud is not dirty. Mud is healthy. Mud is beautiful.

Happy International Mud Day!

Calming Craft Activity

A Monday Morning @The DN Wisdom Tree Global School, a school as unique as your child. Here are glimpses of our kindergarteners engrossed in 'Calming Craft Activities'; watch how engaged our little people are, how focused on the task at hand. Such craft work not only builds their self-esteem, it ignites their minds, and accelerates multi sensory engagement. The satisfaction involved in making something is related to release of neurotransmitters that promote joy and well-being in our children. These are our happy hours and happy spaces!
