The Trinity headed back from their sojourn at their birthplace, Janma Bedi in Gundicha Temple, and to their seat, the Ratna Bedi, in the sanctum sanctorum of Shree Mandira. We at The DN Wisdom Tree Global School, a school as unique as your child, celebrated the divine journey that symbolizes homecoming, harmony, and eternal cycles of life. We marked Bahuda Yatra on campus with our own little celebration, complete with the Siblings' favourite poda pitha and rasagolla, and then a Mahaprasad repast for the team lunch. Thus we concluded our 7th edition of Rath Yatra, Odisha's biggest festival of culture and faith, with immense joy and pride.

Until next year, Jai Jagannath!

# Van Mahotsav

## Ek Ped Maa Ke Naam

In keeping with our annual tradition at The DN Wisdom Tree Global School, a school as unique as your child, the week-long Van Mahotsav or Forest Festival celebration was marked by our students planting trees dedicated to Mother Earth, a living tribute of love, care, and gratitude. Each plant stands as a symbol of the nurturing care that both a tree and a mother provide: selfless, strong, and life-giving. The initiative not only strengthens children's bond with nature but also reminds them of the nurturing spirit shared by both a mother and a tree. Through this green initiative, our young changemakers are taking steps towards a more sustainable and heartfelt future.

**May every sapling grow into a green promise for a better tomorrow!**

# INTERNATIONAL PLASTIC BAG FREE DAY 2025

## 2nd Single Use Plastic Audit by Students' Taskforce

At The DN Wisdom Tree Global School, a school as unique as your child, our young changemakers are leading the way towards a cleaner, greener future!

Senior school students learned about the environmental impact of single-use plastics through a special presentation. Thereafter, the Sustainable Development Taskforce of the school comprising students from Grades 8 and 9, actively conducted the second Single-Use Plastic Audit, to assess and reflect on our plastic consumption habits. This serves as the next step in their learning to evaluate and reduce plastic use in everyday life. We are delighted to have received their commendation on having improved a lot since the last audit that they conducted.

Meanwhile, our little Kindergartners learned about the harmful effects of single-use plastics and enthusiastically took part in a Newspaper Bag Making Activity, turning awareness into action – a hands-on step towards sustainability.

Every small step counts, and our students are stepping up with purpose and pride. Together, we are sowing the seeds of sustainability and mindful living. Let's raise a generation that says NO to plastic and YES to a greener planet!

## INTERNATIONAL TIGER DAY 2025

At The DN Wisdom Tree Global School, a school as unique as your child, students roared with creativity as they engaged in tiger-themed activities, while our teachers led insightful presentations on the importance of tiger conservation to mark International Tiger Day 2025.

As a keystone species, the tiger plays a vital role in maintaining ecological balance. Let's unite to protect their habitats and ensure their survival - because saving the tiger means saving our ecosystem.

4th Test – India vs England | Manchester | July 23–27, 2025

India turned a near-certain defeat into a stunning draw in the 4th Test at Manchester, proving that “Impossible is nothing if we are determined.”

Batting first, India posted 358 runs, with solid contributions from Sai Sudharsan, Jaiswal, and Rishabh Pant. England responded strongly with a massive 669, led by centuries from Joe Root and Ben Stokes. Trailing by over 300 runs, India needed something special—and they delivered.

## Wimbledon 2025 Men's Final Highlights

Jannik Sinner claimed his maiden Wimbledon title by defeating two-time defending champion Carlos Alcaraz 4-6, 6-4, 6-4, 6-4. The win marks Sinner's fourth Grand Slam title and ends Alcaraz's 5-match winning streak against him, including the epic French Open final last month. In a battle of rising tennis greats, Sinner delivered a composed performance to halt Alcaraz's unbeaten record in major finals.

## Wimbledon 2025 Women's Final Highlights

Iga Swiatek claimed her first Wimbledon title in historic fashion, defeating Amanda Anisimova 6-0, 6-0 in just 57 minutes. It's the first double bagel in a Wimbledon final in the Open era, and the first since 1911.

Swiatek, now a six-time Grand Slam champion, delivered a flawless performance against a nervous Anisimova, who had stunned world No.1 Aryna Sabalenka in the semis. With this win, Swiatek becomes just the third woman in the Open era to win her first six Grand Slam finals, joining legends Margaret Court and Monica Seles.

Once doubted on grass, Swiatek has now conquered all three surfaces — only the Australian Open remains for a career Grand Slam.
